ATTENTION :

[REDACTED]

SUBJECT :

DD/S&T Career Development Course #3

1. As I mentioned, we are now working up plans for each component's presentations to the 3rd DD/S&T Career Development Course, and your assistance in formulating the Office of Communications program will be greatly appreciated. I am attaching for your information a list of the class members and a copy of the present schedule for the Course. The 10-21 March dates assigned for the O/C presentation are firm.

2. Since the class will be away from Washington 3-7 March, I suggest that, if possible, the Staff Communications part of your presentation be given at Headquarters during the first week (10-14 March), followed by the Clandestine Communications part [REDACTED]. You might also consider whether any of the information presented last time during the five days [REDACTED] could be given as effectively at Headquarters.

3. I point out also that no NSA briefings are to be included in the Course this time; therefore, we would appreciate your covering cryptography, including Hagelin and other machines, in your presentations. Apart from these specifics, I find it difficult to offer any further guidance, but please call me if I can be of help.

4. I would appreciate your confirmation of the above dates. Thanks again for your cooperation.
